**report to the listener**

Dear Listener:

**Quiet Fundraising:** KPFK's "Quiet Campaign" was the biggest topic in listener communication here at the end of 1992 and the beginning of 1993. For three weeks in December, we put on various low-key announcements asking people to donate to the station. It's an approach we haven't tried in recent years, and quite different from our usual more intense fundraising.

This was a special, supplemental campaign that was an experiment we needed to conduct because our fall fund raising hadn't pulled as much as we had hoped. Your comments were mostly favorable. You liked the idea of fundraising that didn't disrupt the programming. One thing some people didn't like was the 800 number company we used to take the pledges. Normally, our volunteers and staff take pledge calls here in our building. But this time we tried the service — mainly so our staff could continue with their normal work. The operators at the company we hired didn't always know what they needed to do, and this frustrated the callers who ran into it. If we do this again, we would try to find a more congenial company.

But did we raise any money? Yes, we did. We raised about \$8,635 from about 175 callers. Only a fraction of our \$50,000 shortfall, but it helped. We will be talking about how this kind of fundraising fits in with our future development strategy. If you have any comments or suggestions on how it might work better, please write me.

**News on the News:** The news is one of our most popular programs, so we are glad to announce two hires in that department. Lynne Shifflett has taken over our Morning News Anchor position. She has an extensive journalism background, including both broadcast and print. As a volunteer, in the past she worked with the Weekend News team on KPFK. Since then, she's written and produced for several television and radio stations, and for papers such as the *Los Angeles Sentinel*, where she was editor at the City Desk. She was born and raised here and brings a depth of community contact that will be a special bonus to the newsroom.

Herman Padilla will be our staff person for News Production. Herman is very respected in the newsroom for his skill, speed and ability to handle technical tasks under the pressure that is an inevitable part of a news day. He's from San Pedro, and also brings some local journalistic experience — you may occasionally hear him reporting a story in addition to his production credits.

We have to give special thanks to Les Hammer, who served long months on an interim basis to cover the Morning News. We also have to thank the volunteers who work with the news for helping to keep it all going during the long hiring period. They continue to be heard on the news every week.

**The KPFK Board:** We are looking for members for the KPFK Station Advisory Board. The way Pacifica is set up, the actual governing board — the board of directors — is the Pacifica National Board. It's made up of representatives from each of the five Pacifica stations' boards, plus some at-large members. Each station's local board advises on matters of programming topics, fundraising, and finance, among other things. We need people with good community contacts, good organizational experience and appropriate skills. If you think you would be a good prospect, or you know someone who would be, please let me know and we will send them more detailed information on what the board involves.

We hope 1993 will be a good year on KPFK. Stay tuned!

**BILL THOMAS**

The Pacifica Foundation provides the KPFK mailing list to an organization which in turn rents or exchanges, on behalf of the Foundation, mailing lists of other non-profit organizations. If you object to having your name and address used in this way, please write to our Subscriptions Department, enclosing a recent Folio label, and we will omit you from our exchange list. If your request has already been entered into the computer, the letters "NX" will appear on the top line of your mailing label, to the right of the expiration date.

## program highlights

### FUND DRIVE

**FEBRUARY 20 – MARCH 5**

Stay tuned for details about the fund drive. As we embark on our most ambitious on-air fundraising campaign in years, we will be revisiting some program highlights of the recent past, including Pacifica National Programming and Black History Month specials, and the latest speeches from your favorite social analysts. Investigative journalist Dennis Bernstein will be our guest again — this time he will reopen the files on the Iran-Contra affair and expose its continuing ramifications. Be prepared to have your zeal for listener-sponsored radio reawakened with a bang!

### FEBRUARY

**BLACK HISTORY MONTH**

*Afrikan Mental Liberation Weekend* On Saturday February 13th and Sunday February 14th, 9:00am-midnight both days, producer/host Dr. Kwaku Person-Lynn will present *Afrikan Mental Liberation Weekend*, the most informative, controversial and anticipated radio special in Southern California. KPFK will play host for the seventh year of this monumental broadcast. AMLW is not a program interested in maintaining things as they are, or even playing it safe, but changing how scholarship, particularly universal *Afrikan* scholarship is perceived.

DJ Nnamdi and MC Oigigiko host *Roots of Rap*, the eighth in a

continuing series chronicling rap, its influences, and heritage, and its course for the future. Tune in for a new rap opera performed live (2/1, 8:00-10:00 pm);

*The Black Political Agenda for the '90s* is a rebroadcast of the discussion featured during the Clinton Inauguration, including Dr. Manning Marable, Director of the Center for the Study of Ethnicity and Race in America at the University of Colorado at Boulder, Clarence Lusane, editor of the *Black Political Agenda '92* among others;

One year after the confirmation hearings for Clarence Thomas, *Race Gender and Power* presents a five-part summary of a special conference held at Georgetown University's Law Center to assess the impact of Anita Hill's testimony on women in society. Speakers include Professor Anita F. Hill, Professor Emma Coleman Jordan, Senior Judge A. Leon Higginbotham, Jr. and more (Part 1, 2/4 7:00 pm; Parts 2-5, 2/6 10:00 pm);

IMRU celebrates Black History Month with the Pomo Afro Homos (2/22, 10:00 pm);

*Feminist Magazine* observes February as Black History Month with a lecture by African-American feminist scholar Paula Giddings discussing the connections between sexism and racism (2/17, 5:00 pm)

Pacifica Radio programming presents *Burst of Light: A Tribute to Audre Lorde*, a tribute to the New York poet laureate and author of 14 books of poetry and prose who died November 17 after a long bout with cancer (2/18, 2/19, 2:00 pm).

### MARCH

**WOMEN'S HISTORY MONTH**

**MARCH 8**

**INTERNATIONAL WOMEN'S DAY**

Monday March 8th is International Women's Day and the KPFK Women's Coalition will celebrate the day by bringing you voices and music of women from around the world (3/8, 9:00 am-6:00 pm, 7:00 pm-11:00 pm).

Today's schedule features the music of contemporary women composers, and productions featuring Native American women; women of Eastern Europe and the former USSR, women in high school, women with disabilities, lesbians, women in labor, and local women discussing the future of women in their communities at "The Women's Political Forum/Women Count" conference.

We will also hear a 2-hour bilingual special from the women of *Enfoque Latino*. In addition to regular KPFK and Pacifica news reports, you'll hear a very International Women's Day special from Pacifica National Programming (6:00-7:00 pm & 11:00-Mid).

The balance of Women's History Month features Jan Robinson Flint *Sistas in the Hood*, a 5-part program featuring interviews and excerpts from conferences organized by African American women during 1992 (3/10, 8:00 pm).

Wendy White rounds out the month with a special on rape and incest in the African American community (3/20, 10:00 pm).

*Tous les Matins du Monde* Perhaps hard to believe, but in New York, the original film sound track for this highly acclaimed French film actually outsold CDs from Madonna's new film. Two people whose performing abilities were heard on one of Mario's recent programs (singer, M. Figueras and musical director J. Savall) appear on the CD with works by Monsieur de Saints Colombe and the internationally famous 17th century composer Marin Marais (also heard on previous Mario shows). Plan on lots of heady material today.

*South African Jazz and Jive — 1954-1960*  
Among the many changes since the 50s, Miriam Makeba and Hugh Masekela have returned home to South Africa, the Manhattan Brothers have recently rehearsed for a stage reunion, Doly Rathebe and the Elite Swingsters are preparing for a European tour and the golden era of township music is remembered by many Africans as an era of hope. And its richest, seminal years were certainly those of the late 50s. This Monsun label CD is the absolute cream of the the crop. 19 hits from the golden era of township music featuring the best of that significant period.
